Dear Parents:

Your child has requested to take home a book bag for summer vacation. This is a program that will allow students to take out **up to 15** books from the last weeks of school to the first week of the new school year.

Your permission is necessary because while this program is absolutely free and encouraged for all to participate in, there is a financial responsibility of which to be aware. **In the event that the book bag & books are damaged, lost or not returned**, we need to let you know that a fee of $10.00 or more per book will be attached to your child’s account. This will help to cover the replacement costs for a new book bag and/or books.

We hope this program is a great success and look forward to hearing all about your child’s favorite books of the summer!

**Permission slips are due by Monday, May 13th!** Book bags will be filled from May 15-May 24. All **returning** middle and upper school students are welcome to participate. We will post a schedule letting your child know which day to come “shop!”

Thank you!
Megan Whitt
Middle and Upper Head Librarian

(please retain this portion for your reference)

Please complete and return with your child to the Young Family Library.

I, __________________________, give my permission to

(please print)

____________________________________________ to take part in the

(please print child’s name)

summer book bag program. I understand that we are responsible for returning **up to 15 books and the book bag** to The Seven Hills School during the first week of school.
